REFRACTORY CERAMIC FIBER DISCLAIMER

I certify that I have read and understood the Material Safety Data Sheet for Refractory Ceramic Fiber and that I am responsible for the risks enumerated therein and that I am authorized by my company or institution to purchase a product with this material.

L&L Kiln Mfg., Inc. specifically warns the following:

Warning: Refractory ceramic fiber has hazards associated with its use. Read the MSDS Sheet before purchasing. Use a NIOSH N95 approved dust mask when working with refractory ceramic fiber. The RCF fiber is only intended for industrial use production facilities - not in schools or homes.
